Assistant Commissioner for Patents

Washington, D.C. 20231

Sir:

In compliance with Rules 1.97 and 1.98, and in fulfillment of the duty of disclosure under Rule 1.56, the accompanying documents, copies of which are attached to this statement, are made of record on the enclosed sheet.

A concise explanation of the relevance of these items is that we are advised by our client that these references were discovered during any searches they or their client had made, or that they were considered in the preparation of the application. In addition, a concise description of the relevance of those items not in English is given by the attached partial translations thereof.

Respectfully submitted,

YOUNG & THOMPSON
